*Thank you for your interest in obtaining a credit account with the Dane County Department of Waste & Renewables.*

*Please note that credit accounts are reserved for routine customers who use disposal services on a recurring basis and are **not granted to companies that haul less than 20 tons of waste to our site monthly or to out-of-state companies.** Applicants may be asked to demonstrate that minimum waste thresholds will be met for up to 6 months prior to being granted an account.*

*Also, it is important to note that the Wisconsin Department of Natural Resources (WDNR) requests a list of the companies that have transported waste to our site each year on WDNR form 4400-123. Refer to the WDNR's website <https://dnr.wisconsin.gov/topic/Waste/Licenses.html> or NR 520.06 for licensing requirements and information.*
